CEO/MD' Message

Overseas employees are one of the most important features in national economic development and this aspect is very close to the heart of Government of Pakistan. The radical and revolutionary policies of the Government are a vital proof of it. The facilities provided and the steps taken by the Government for promoting manpower exchange are really praiseworthy.

Pakistani Engineers and Technicians are sought-after, the world over, for their technical skills, hard work and the ability to work under trying conditions. They are quick to learn local languages and settle down quickly in any multi-Cultural & multi-National environments.

M.U INTERNATIONAL Human Resources Exchange Consultants has been offering recruitment services to the overseas employers/clients. We have enough skilled/unskilled workmen available and keen to work overseas. Most of our candidates have ample experience of working abroad, are very well trained, security cleared, trustworthy and most importantly available at competitive salaries.
